Open most days about 9 or 10.
Occasionally as early as 7.
But some days, late as 12 or 1.
We close about 5...or 6.
Occasionally around 4 or 5. But
Sometimes as late as 11 or 12.
Some days, or afternoons,
We aren't here at all, and lately,
We've been here all the time.
Except when we're someplace else,
But we should be here then, too.
So, drop by any time
—and if we're home, we're open.

*Peace, Tranquility & the
warmth of a sincere Welcome!*
